

# WE ARE LOOKING FOR

## *a Radio Engineer Apprentice*

For MyBridge Radio - a Christian Radio Network located all across Nebraska!

***Are you passionate about technology?***

***Do you have a strong work ethic & hunger to learn and grow?***

If so, this is your opportunity to use your gifts and develop your skills for an organization that makes an eternal difference in the lives of thousands of listeners every day!

---

**Position:** Radio Engineer Apprentice

**Type:** Full-time, entry-level

**Experience:** No experience required - *we are looking for aptitude, attitude, and appetite!*

### **What We're Looking For:**

- **Aptitude:** A natural curiosity and skill toward technology. We want someone who enjoys working with electronics, computers, computer networks, troubleshooting problems, and staying current with new tech developments.
- **Attitude:** A positive, can-do approach. We value a strong work ethic, dedication, and a willingness to go the extra mile.
- **Appetite:** Eagerness to learn, grow, and develop as a radio engineer. We want someone who is driven by their passion to expand their skills and knowledge.

### **Key Responsibilities:**

- Assist in maintaining, troubleshooting, and repairing radio transmission systems
- Learn to install and configure broadcast equipment, including software and hardware systems
- Collaborate with senior engineer to ensure seamless operations and broadcasts
- Respond to technical issues that arise during live programming
- Gain hands-on experience with cutting-edge technology in radio engineering

### **What We Offer:**

- On-the-job training with seasoned radio engineers
  - The opportunity to develop skills in a unique and impactful industry
  - A chance to be part of a mission-driven team that serves listeners across Nebraska and beyond
  - A supportive and encouraging work environment
- 

### **Why Join MyBridge Radio?**

MyBridge Radio is more than a job—it's a calling. You'll be part of a team that is passionate about making an eternal impact. This is your chance to grow your technical skills while using your gifts for a higher purpose.

### **Apply Today!**

If you have a heart for ministry and a desire to learn, we'd love to hear from you. Send your resume and a brief description of why you're excited about this opportunity to [stan@mybridge.email](mailto:stan@mybridge.email).

***This is a great chance to launch your career in radio engineering while contributing to a life-changing ministry. If this sounds like you, we encourage you to apply!***
